What're you gonna do with this thing?

OK, this is your book now, so technically you can do whatever you want with it.

But if you write anything in this journal, make sure you hold on to it. Because one day you're gonna want to show people what you were like back when you were a kid.

WOW, HE WAS INCREDIBLY SMART AND WITTY EVEN THEN!

IT'S TRUE!

Whatever you do, just make sure you don't write down your "feelings" in here. Because one thing's for sure: This is NOT a diary.
